#### Ministries of

- Statistics and Programme Implementation
- Shipping
- Road Transport and Highways
- Housing and Urban Affairs
- Ministry of Commerce & Industry (DIPP)

*Project management is an art and science of converting vision into reality, strategies to deliveries, abstract ideas to concrete results and to realizing our dreams. The word project is derived from Latin word- Projectum implying 'to throw something forward'. The only thing we do in present is to build the future. Project management is thus future management.*

### Technology Partner

In 1992, Centre for Excellence in Project Management (CEPM) organized the First International Conference on 'New Dimensions in Project Management' in association with United Nations Development Program (UNDP). This laid the foundation for introducing scientific project management discipline in India. ***It was a historic milestone.***

**CEPM is in the forefront of the PM movement in India since 1992.**

**Come - Learn - Share - Network**
